Discover what goes on inside the School of Wizard-Knights in this *Radiant* spin-off!

Ever since the Wizard-Knights defeated the Inquisitors, the Forest of Cailte has been part of the temporal world. Hordes of "woodspeople," who had wandered in it for centuries, have emerged from it blindly, not knowing where they are. But, thanks to Princess Ococho, who has inherited the Forest, they are all allowed to enter the School of Wizard-Knights.

For most, it is cause for celebration. But one of the woodspeople, Aquill, who left the Forest a few months ago, does not want to become a Wizard-Knight. His only wish is to find his little sister, Tân, who is still lost in the Forest thanks to him...
