« As everyone knows, Rik Sputnik — the science-fiction hero - has given his name to a famous comics magazine. Alongside the adventures of the intergalactic explorer, each week readers also have the pleasure of catching up with Ssstanislassss, Commissioner Misery, Doctor Karabistouille, and many other beloved characters.

« Collection no. 627 gathers together issues 2509 to 2512 of the magazine Rik Sputnik. »

Ducobu, the infamous student, has two passions in life : cheating, and the magazine Rik Sputnik. Now, Godi and Zidrou entertain themselves by imagining what this famous imaginary magazine might look like, and offer us the chance to read the 4 issues gathered together in this collection.

A quirky, unique tribute to the great BD magazines, following in the footsteps of Ducobu's favorite hero.
