MAINSTREAM COMICS

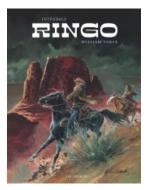

Publisher : **Le Lombard** Genre : **Western**, Action & Adventure

As a money courier for Wells Fargo in the middle of a lawless territory, Ray Ringo can only rely on his sharp trigger. Yet, between the arrows of the Apaches, the fangs of the coyotes, the bullets of the crooks or the crossfire of the North and the South, there are a lot of ways to die in the Wild West... And to undertake this ride in the company of Ringo is to follow a second, equally thrilling trail: the graphic evolution of William Vance over a decade!

The western published in the Journal Tintin is finally available in a brand new complete edition.
