Following an unprecedented world ecological crisis, the air has become unbreathable

and hostile creatures have taken control of the planet, forcing the last survivors to take

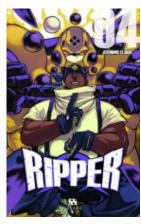

shelter in a tower of fortune. Among them are a group of volunteers trained to find a

new Eden, they're called the Rippers! During a reconnaissance mission, the oak

squadron meets Junk, a young optimistic boy who doesn't seem at all affected by the $% \mathcal{A}(\mathcal{A})$

state of the $\mbox{Earth}...$
