“The bill always comes due...” Jay Sherman is the American Dream come true: a self-made man who worked himself up from the streets to the upper echelons of moneyed society. But when his son Robert, a promising Democratic presidential candidate, is shot before his eyes, Sherman’s world spins into chaos. Threats on his life and that of his estranged daughter soon follow. An old mentor turned FBI chief steps up to offer his protection, but lacking any real leads, they can only look into Sherman’s past... which has more than its share of skeletons. A political thriller with Gatsbyesque overtones.
