This is the fascinating life story of Robert Louis Stevenson, the beloved author of classics such as "Treasure Island" and "Strange Case of Dr. Jekyll and Mr. Hyde," from his early days as an aspiring writer to his first published works, his love affair and then marriage to Fanny Osbourne, his success as an author, his many travels across Europe and the U.S., and finally his voyage to the islands of the South Pacific, where he eventually built the house of his dreams. Stevenson never let his weak lungs (which he referred to as pirates waging a battle inside him) and delicate constitution stand in the way of his insatiable thirst for adventure, living life on his own terms until the very end.

In this series

Stevenson le pirate
