## Syberia

By Blais & Sokal & Sokal

## MAINSTREAM COMICS

Publisher : Le Lombard Genre : Action & Adventure

Kate Walker, a lawyer from New York, was only supposed to spend a few hours in the village of Valadilène in the French Alps. She goes there to finalize the purchase of the Voralberg automation factory on behalf of her client, Universal Toys. But she soon finds out that the heir to the company is still alive. To find him, she has no choice but to begin a journey through the history of the 20th century.

For the first comics adaptation of his cult game, Benoît Sokal has chosen to revisit "Syberia" and propose an alternative version to the reader. The result is a perfect prelude to the third installment of the game.
