Jean Valhardi first hit our shelves in 1941 and has been one of the biggest characters, alongside Spirou and Tif and Tonde, to come out of Dupuis. His adventures have been brought together here for the first time in this fully restored version. Fans will finally get a chance to read the extremely rare "L'étrange réveillon" de Jean Valhardi as it was originally published, copies of which are all but impossible to find these days. Includes a detailed introduction, the result of two years of research by the authors of La véritable histoire de Spirou, Christelle and Bertrand Pissavy-Yvernault.

In this series

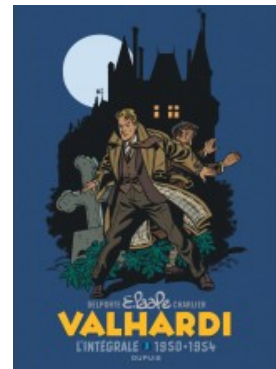

Valhardi L'intégrale tome 6 (1981-1984)

Valhardi L'intégrale tome 5 (1959-1965)

Valhardi L'intégrale tome 4 (1956-1958)

Valhardi L'intégrale tome 3 (1950-1954)
