This book isn't a monograph, it isn't an art book, and it is far from intimidating. It contains a carefully selected collection of press drawings (from the likes of *Le Figaro littéraire* and *Libération*), illustrated posters, sketches, doodles, and even a few comic books extracts. As Blutch's first non-narrative book, *Vue sur le Lac* gives a panorama of this author's talent. The accompanying text is in three languages: French, German and English.
