The Black Crow, Percimol, Elaine and Still Black, the knights of justice - you first came across them along the road of the Twelve's World, in an animated cartoon, or in an online WAKFU game. Perhaps you felt that things were all going a bit too fast - you'd like to know more about these colorful characters who've so soon become legends. Well, WAKFU Heroes is here to tell you everything you want to know! Each album of this collection narrates the origins and the trials and tribulations of the supporting characters of the vast WAKFU universe. Whether good guys or bad guys, they're all heroes!
