Wyoming, 1858. The two-year-old Eddie Van Deer was most likely kidnapped by the Lakotas Sioux, who massacred his family. His uncle Ambrosius, one of the biggest cattle breeders in the West, looked obstinately for him and even proposed a reward of \$1000 in gold to whoever could bring him back. Ten years on, nothing yet has been found ! It is then that the young adventurer Jess Chisum has an idea to cash in the reward... His attempt however turns sour.
